The pool is for the use of owners, residents and their invited guests. One key card will become the possession of the property owner who will be required to sign for the key card. Said key card will be retained by the owner and should be transferred to a new owner at the time of sale. A property owner may assign his/her key to a resident of his/her unit but remains responsible for the key and for activities of the person to whom he/she has given the key. The cost to replace a lost or stolen card is \$100.
